2-Hour Safety Training Requirement for 2020 Policy Year Deadline is 6/30/2021

2020 Rating Year—BWC Rule—ORC 4123-17-68

Group Rated and Group Retro Rated employers who have had a claim from July 1, 2018 through September 30, 2019, have to complete a required two hours of safety training by June 30, 2021. BWC's requirement applies to any allowed claim an employer had from 7/1/18-9/30/19, regardless of size or severity. Two hours is the minimum amount of safety training mandated by the BWC. Only one person from the employer needs to take this safety training. If an employer experienced more than one claim within this period, they are still only obligated to attend two hours of safety training. If an employer has multiple policy numbers, they must attend two hours of safety training per policy. For more information about all the Ohio BWC's training opportunities, visit the BWC's Learning Center at: [BWC Learning Center Login](#)

Deadline extended for HVAC assistance program

The Ohio BWC has extended their deadline to apply for reimbursement for eligible expenses under their COVID-19 Indoor Air Quality Assistance Program to March 31, 2021. This federally funded program provides reimbursement for nursing homes, assisted living centers, and adult day centers that invest in air quality improvements that reduce the spread of COVID-19. This may include the costs of inspections, assessments, maintenance, and improvements to indoor heating, ventilation, and air conditioning (HVAC) systems. It also provides reimbursement for secondary devices designed to destroy bacteria, mold, and viruses. [Read more, including eligibility requirements, on the BWC's website.](#)
